

Where was the...?

There was only one catch and that was  
**Catch-22**  
WHICH SPECIFIED THAT A CONCERN  
for one's own safety  
in the face of dangers that were real and immediate was the process of  
OPERATIONAL MIND.  
Orr was crazy  
AND COULD BE GROUNDED. ALL HE HAD TO DO  
was ask; and as soon as he did,  
he would no longer be crazy and would have to fly more missions. Orr would be crazy  
to fly more missions  
AND  
IF HE DIDN'T, BUT IF HE WAS SANE  
he had to fly them. If he flew them  
he was sane and didn't have to; but if he didn't want to be sane and had to  
Yossarian was moved very deeply  
the absolute simplicity  
of this clause of  
and let out a respectful whistle.  
"That's some catch that Catch-22," he observed.

Who is Spain?

How was trump at Munich?

**Orr** was crazy

AND

he was sane and didn't have to; but if he didn't want to be sane and had to

When is right?

Why is Hitler?

What is a country?  
A country is a peice of land  
surrounded on all sides by boundaries  
usually unnatural  
Englishmen are dying  
for England, Americans are dying for America, Germans  
dying for Germany.  
Italians are dying for Italia. There are one  
fifty or sixty countries  
surely so many countries  
can't all be worth  
dying for

SS-d...  
he served.
